HOUSE MARKUP ON JULY 13 (FULL COMMITTEE)**MAJOR ITEMS OF INTEREST****Public Buildings Service:**

- Reduced R&A and total NOA by 100 M.
- Committee did not include amounts for specific R&A Projects and programs in the bill, however the Committee expects GSA to use the funds provided to undertake the projects identified in the budget request.
- Directed GSA to use R&A funds to renovate the Department of Interior Headquarters Buildings located in Washington, D.C.

FY 2000 BUDGET - CONGRESSIONAL ACTION

- Corrected language to allow funds made available in any previous Act for R&A prospectus projects to be escalated 10 % without prior Committee Approval. The escalation clause was not included for this year's appropriation since there is no line items to escalate.
- No funds from this or any other Act made available may be used at the Border Patrol Academy, in Charleston, South Carolina.

Other

- A "sense of Congress" statement calling for parity between the adjustments for compensation for Military and Civilian employees.
- Effective October 1, 1999, personnel of GAO employed to carry out functions of JFMIP shall be transferred to GSA. OPM shall provide GSA one permanent SES position for the Executive Director of JFMIP.

**HOUSE MARKUP ON JULY 13 (FULL COMMITTEE)
CHANGES TO HOUSE REPORT**

- Recommends GSA expeditiously commence repairs on the Federal Building in Binghamton, New York.
- Recommends GSA, OPM and Army conduct a feasibility study regarding establishing and equipping an emergency work station/telecommuting center in the vacant office space at Fort Belvoir, Virginia. (The emergency work station / telecommuting center is in response to the interstate highway construction in the Springfield, Virginia, area.)
- Added section on Census Bureau Facilities at Suitland, Maryland, similar to the language in the Senate report.

FY 2000 BUDGET - CONGRESSIONAL ACTION

SENATE PASSAGE 7/1/99 – FLOOR ACTIONSPublic Buildings Service

- Corrects total NOA for FBF to include \$100 million for redemption of debt and to reflect \$20.8 million rescinded remaining in the Fund.
- An amendment proposing to cut \$34,796 thousand from Repairs and Alterations and \$10,854 thousand from Policy account failed in floor action. A revised amendment was passed which directs Customs Service to utilize \$50 million to hire 500 new customs agents, funding to be found within the Customs' budget. However, Senators Grassley and Campbell indicate that, if the language is different in the House version, they will work to find the funding elsewhere during Conference.
- GSA is directed to transfer the property at 2400 M Street, NW, Washington, DC, to Columbia Hospital for Women, for \$14 million plus interest at 4.5% with payments over 30 years at \$869,000 plus interest.
- R&A and FBF totals reduced by \$17 million to help pay for HIDA drug interdiction.
- Makes available \$1.25 million for R&A of the Federal Courthouse at 40 Center Street, New York, NY

Other

- An amendment passed which will have policy implications on Child Care. Amendment addresses licensing requirements, accreditation standards, and evaluation perimeters.
- Funds available for fiscal year 2000 are made available to finance an appropriate share of JFMIP salaries and administrative costs. GSA may provide from government wide credit card rebates up to \$3 million in support of the JFMIP.

FY 2000 BUDGET - CONGRESSIONAL ACTION

SENATE REPORT

Public Buildings Service:

- Committee is concerned that there is no courthouse construction program in the FY 2000 budget due to budget restraints. However, they are also concerned that 11 of 16 courthouses requested for FY 2000 deviated from the design guide. They expect to review the independent analysis of Court requirements before making FY 2001 decisions.
- Committee encourages GSA to work with the Courts to:
 1. Keep the Biloxi courthouse project on schedule
 2. Address issues arising from delay in funding of Erie courthouse
 3. Address issues re logistics, safety and space at the Burlington Courthouse and Federal Building
- The Committee understands that GSA plans to request R&A design funds for the Davenport, Iowa courthouse in FY 2001, and construction funds in FY 2002.
- Directs GSA to study renovation of the City Hall Plaza in Boston, and determine what cooperative arrangements should be developed.
- Urges GSA to work with ATF on expanding space at the National Tracing Center in Martinsburg, WV
- Directs GSA to report by March 31, 2000 on the cost of demolition of the existing structures on the space known as West Heating Plant and Coal and Ash House, remediation of the property, and the estimated duration for this effort.

Policy and Operations

- Recommends funds provided to be used to require Child Care Centers to (1) comply with State and local licensing requirements and (2) comply with accreditation standards specified by the Administrator

FY 2000 BUDGET - CONGRESSIONAL ACTION

- Urges GSA to give priority to the U.S. Olympic Committee's (USOC) request to gain title or acquire 1520 Willamette Avenue in Colorado Springs, Colorado, should that facility become vacant and deemed as surplus.
- Urges GSA to continue to review the per diem rates, particularly of the Maryland counties, and implement any appropriate changes.
- Encourages GSA to assist the Salt Lake Organizing Committee for the Winter and Paralympic Games in 2002 as well as the 2001 World Police and Fire Games in Indiana.
- Directs GSA to work with the universities of Montana, Iowa, Colorado and North Dakota to assist in the development of a symposium to discuss the research and development requirements of a Plains states de-population study. Requests GSA provide the appropriate administrative assistance required for the symposium.
- Provides for a Nebraska State Patrol Digital Distance Learning project to create computer based training programs.
- Directs GSA to submit a report of significant environmental problems at the U.S. Census Bureau facilities in Suitland, Maryland, no later than 60 days after enactment this Act.

GSA General Provisions

- Continues a provision which allows pilot information technology projects to be repaid from the Information Technology fund.
- Corrects appropriation language in FY 1997 appropriation (PL 104-208) that would have allowed unobligated balances for new construction to lapse.
- Renames the Bismarck, ND courthouse and federal building after William L Guy
- Limits availability of FBF revenue for Rental of Space and Building Operations
- Does not included a provision upgrading the CIC director position to SES, but directs GSA to request an OPM review of appropriateness of the upgrade, and to increase GSA SES positions if warranted. Similar language is in the OPM section of the Report.

FY 2000 BUDGET - CONGRESSIONAL ACTION

Other

- Directs ATF to work with GSA to pursue low cost headquarters site options, and to seek required funding from the Treasury Forfeiture Fund.
- Directs Customs to work with GSA to assess current conditions and infrastructure needs of ports of entry on US land borders, and to report to the Committee within 9 months of enactment of the appropriation bill.
- Includes section on Voluntary Incentive Payments (VIP) program for Financial Management Service employees in Chicago.

HOUSE MARKUP ON MAY 14 (SUBCOMMITTEE)**MAJOR ITEMS OF INTEREST**Public Buildings Service:

- No Construction projects approved except for \$8M non-prospectus item, reduced from \$10M for telecommuting centers (Building Operations to absorb.)
- No Courthouse projects added.
- No appropriation approved.
- No advance appropriations approved
- Added language restores 10% escalation authority for Repair & Alterations line items.
- Repair & Alterations approved as requested, except for \$5M reduction to Basic R&A program.
- Expanded reprogramming authority between Building Operations and Rental of Space denied.

FY 2000 BUDGET - CONGRESSIONAL ACTION

- Continues provision prohibiting financing of groups by more than one Federal agency without specific statutory authority – affects JFMIP funding.
- Includes GSA-proposed JFMIP funding provisions, with limitations of \$800K for the Executive Director and staff support and \$7M total, and credit card rebate provisions. Provisions allow other agencies and the GSA Policy and Operations account to finance an appropriate share of JFMIP costs.
- Provides for a CFO for the Executive Office of the President
- New provision requires agencies to reimburse qualified employees up to one-half of the cost of their professional liability insurance.
- Increases “future” President’s salary from \$200K to \$400K.

Other

- Includes voluntary separation (VIP) program for Treasury IG employees.

FY 2000 BUDGET - CONGRESSIONAL ACTION

HOUSE REPORT**Public Buildings Service:**

- General Statement: - The Committee took action to meet its targets in part by reducing the GSA construction program by \$400M. However, they recognize that this places the critical infrastructure program in jeopardy.
- The Committee criticizes OMB for not including Courthouse construction in its budgets for the past 3 years, despite GSA's requests, and questions OMB's assignment of priorities. The committee will try to find ways to include courthouses in the FY 2000 appropriation as the bill moves through the process.
- The Committee encourages the Judicial Conference to undertake an independent review of the courthouse program, including courtroom sharing.
- Directs GSA to include minority contractors, vendors and employees in the Miami, FL courthouse, and to report on progress by February 1, 2000.
- Urges GSA to use funds available for non-prospectus construction to develop child care facilities in Central Islip, NY and San Juan, PR.
- Directs GSA to include necessary funds for Federal Building at 300 North Los Angeles Street, Los Angeles, CA, for safety and accessibility R&A in FY 2001 budget request.
- Provides within Basic R&A \$412K for renovations to Wichita, KS courthouse.
- From building operations, provides \$1.974M for telecommuting centers, including \$150K for Winchester, and \$200K for Woodbridge. Directs GSA to conduct a fair utilization study of telecommuting centers and to close underutilized centers.
- Directs GSA to use \$500K to study a combined federal, state, and local law enforcement center in St. Petersburg, FL, and to report by February 1, 2000.

FY 2000 BUDGET - CONGRESSIONAL ACTION

Policy and Operations:

- Committee approves of GSA's action to scale back the Section 1122 program (use of GSA schedules for law enforcement activities for counter-drug activities), and expects GSA and DOD to consult with Congress before any further expansion of the program.
- Urges GSA to support Public Employees Roundtable and to provide \$100K in administrative and logistical assistance to Public Service Recognition Week activities.
- Concerned over lower per diem rates, directs GSA to review methodology and rates and to revise its procedures accordingly.
